More information:

<http://unhooked.com> or call the LifeRing Service Center 1-800-811-4142.

Special Two-Day Pre-Congress Workshop:

Solution-Focused Interviewing, with Dr. Ronald E. Warner, Ed.D., D.Psych.

This two-day intensive workshop with Dr. Warner teaches the skill of Solution-Focused Interviewing, a strength-based method useful for lay persons and treatment professionals for motivating others to move forward out of the problem into the solution. Dr Warner is Program Director and founder of the Solution-Focused Counselling Certificate Program at the University of Toronto, Faculty of Social Work, and author of numerous articles on Solution Focused Therapy and related topics. CE units available. Thursday April 28 and Friday April 29, Rozanski Hall, University of Guelph. Cost: Can\$229 / US\$184 (+GST).

For information see <http://unhooked.com/sfi.htm> or contact Jason Kelly (519) 993-2074.
